EDIFIER®

Edifier Image™ BreatheBT

iF600BT

Bluetooth™

Made for iPod iPhone

PRODUCT DESCRIPTION

The iconic Breathe by Edifier, is now equipped with a built-in receiver allowing Bluetooth enabled devices to stream audio wirelessly within a 10 meter radius. The orb shaped wireless remote is also capable of changing track, adjusting volume and play/pause functions with devices that are supported by AVRCA profiles. The Bluetooth feature enables this product to be a versatile home audio system that can be applied to multiple rooms, environments and uses, free from the constraints of cables and connectivity. The BreatheBT can also dock all generations of iPods and iPhones, while also offering connectivity to any audio host with a 3.5mm audio connection. The downward-firing subwoofer produces deep powerful bass, composed with the aluminium chassis that reinforces this system, reducing any resonance and keeping this system securely grounded. BreatheBT produces a total RMS power output of 60 watts via the 2 silk domed tweeters, 2 mid-range drivers and 6½ subwoofer, all magnetically shielded. A distinctive display piece for home or office, this powerful system combines convenience, flexible audio connectivity, great audio clarity and the unique style of Edifier.

FEATURES

- Bluetooth pairing capability with Bluetooth enabled devices with A2DP and AVRCA profile support
- All-in-one iPod docking home audio system with downward angled subwoofer to fill any room with deep bass output
- Separate mid-range and silk-dome tweeters for both stereo channels providing a crisp, clear audio output
- On-deck control pads and full function remote with all iPod navigation/ playback controls
- Auxiliary input reserved for alternative audio source connectivity
- Digital amplifier with EuP compliant green power management

SPECIFICATIONS

Power output:	RMS 7.5W × 2 (treble) + 7.5W × 2 (mid-range) + 30W (bass) (THD+N=10%, f0=1KHz)
Signal to Noise ratio:	≥85 dBA
Distortion:	≤0.5%
Frequency response:	3.8KHz~20KHz
Input sensitivity:	AUX: 1000 mV ± 50 mV, iPod: 850 mV ± 50 mV
Input type:	Bluetooth / iPod / AUX
Bass unit:	5¾ inch (Φ148mm), magnetically shielded, 6Ω
Midrange unit:	2¾ inch (Φ70mm), magnetically shielded, 4Ω
Tweeter unit:	Φ19mm silk dome, magnetically shielded, 4Ω
Dimension:	420 mm x257 mm x244 mm (W×H×D)
Net weight:	4.8kg
Gross weight:	6.2kg
